

D118 and VERMILION COUNTY HOME VISITING

Did you know there are free home visiting services throughout Vermilion County?

The H.O.M.E. Hands On Meaningful Experiences Program provides home visiting services that offer family-focused services to expectant parents and families with children up to age 3 who reside in District 118. Brandye Kizer and Debbie Plush, Parent Educators offer information about what a child should be doing at each developmental stage, help families to locate needed resources, fun family events, education, support, and free books! In addition to personal home visits and group connections, our Family Store helps supply baby items and household products for H.O.M.E. participants. In November we attended the FESTIVAL of TREES, made Swedish Meatballs and had enough to send home to freeze, and in December we will have RU-DOLPH come visit and hand out gifts to our Birth-3 families!! If you are interested in home visiting services, or even learning more about them, please

call Niah at (217) 483-BABY (2229).

Nurse Notes

With flu season upon us, the district continues to work to keep all children healthy. Everyone is doing their part:

- Custodial staff is working diligently to clean all surfaces including water fountains, door handles, and desks.
- Staff is modeling and teaching hygienic coughing, sneezing, and nose blowing.
- Teachers encourage hand washing and disinfect surfaces and materials.
- Nurses are working with parents to send students who are ill home and make sure they are well enough to return.

How can you help?

- ◇ Please continue to teach your children proper hand washing techniques and how to cover a cough or sneeze.
- ◇ Remember it is very important for your child to remain home until they are fever-free for 24 hours, without the use of a fever reducer (Tylenol or Ibuprofen).

If you have any questions regarding Influenza A, recommendations for treatment of symptoms, or general health information, please don't hesitate to call the school nurse.

REGISTRATION INFORMATION FOR NEXT YEAR
All D118 students will register in a centralized location this year at David S. Palmer Area. Parents will receive packets to fill out and take to registration.
More information will be coming closer to the dates.
Dates: June 6th and June 7th

College Basketball Players Give SVUE Students A Pep Talk

Student athletes from South Suburban College gave students from SVUE a talk about hard work, fulfilling dreams, and getting to college on Tuesday, March 20th. Many shared stories of both struggles and success. Students had the chance to ask the gentlemen questions about college and their careers after college. The Bulldogs were on their way to the NJCAA tournament and stopped in to see SVUE students. We appreciated their time!

Do you have a child entering Kindergarten?

There are some important requirements that you should be aware of before school starts. Until completed, your student will not be able to attend school. Our goal is that every child have all of the requirements completed at registration.

Proof of the following is required:

- Physical exam (must include diabetes screening)
- Up to date immunizations
- Lead screening
- Proof of residency
- Court house issued birth certificate

Copies of health examination forms are available in the school office or from your health care provider.

SVUE STEM Club stays afloat at U of I Engineering Open House

Members of the SVUE STEM Club presented to judges, at the University of Illinois Engineering Open, with a boat made of few materials. The boat was able to hold almost 3 pounds before going under! The STEM Club did an amazing job on their design and presentation.

Congratulations to Mr. Jim Bolton!

Mr. Bolton is being honored by the Danville Education Association for receiving the *Friends and Advocates of Public Education Award*. Mr. Bolton is a retired teacher that volunteers time at South View. He is a valuable asset to South View, and a great mentor for our students. Way to go, Mr. Bolton!
